

The King and Queen TLT met on Tuesday, February 25, 2003, in the Hearing Room at the Courts and Administration Building at 7:00 p.m. Present were: Lewis Hickman, Carole White, Debra Branham, Sharon Beattie, Lawrence Simpkins, Dom Stolfi, Donna Elliott and Alinda Uzel. Two new members were welcomed; they attended the Take Charge meetings and decided to join the TLT as a result. The two new members are: Sharon Beattie and Lewis Hickman.

Mrs. Uzel showed a Powerpoint report for the three Take Charge meetings and each attendee received a printed copy. Copies will be sent to all TLT members who were unable to attend and to Take Charge participants. Mrs. Uzel presented a brief summary to the Board of Supervisors at their February meeting accompanied by the complete printed report. Copies were also provided to the County Administrator, County Attorney and the Chairman of the Planning Commission.

Before moving forward with the meeting, Tiffany Wyatt, a sixth-grade student at Lawson-Marriott School and daughter of Marie and David Wyatt, was presented with a gift certificate for \$100 to commemorate her winning entry for the name for the electronic village – King & Queen Information Trail. Pictures were taken and a news release will be sent to all local papers.

Due to threatening weather, several members were unable to attend; however, knowing that the focus of this meeting was to determine the categories for our electronic village's opening page, they submitted their suggestions via e-mail.

Since the intent is to encourage use by individuals who may not be that familiar with using the internet, the group decided to try to start with basic information folks may be seeking, keep the look uncluttered and make navigation simple utilizing as much as possible links to local information sites already in place (government, schools, historical societies, etc.).
