RE: Meeting Minutes & Handouts

On Thursday, September 11, 2003, Mr. Mathew Mathai, Director of the Blacksburg Electronic Village, spoke to the Northampton County Technology Leadership Team about the Community Network Directory and about the Technology Assessment and Master Plan.

Members present were Brenda Holden, Extension Agent, Virginia Cooperative Extension; Jennifer Haycox, Special Projects Coordinator, Virginia Cooperative Extension; and Mr. John Nottingham, Executive Director, District One Community Action Group.

At the meeting, Mr. Mathai gave a PowerPoint presentation about the Community Network Directory, and demonstrated the Directory for those in attendance. The group also briefly discussed the Technology Assessment and Master Plan that will be conducted in Northampton County as part of the TOP Project.

Copies of the PowerPoint presentation and Technology Assessment Plan are included with these minutes. To view the Community Directory, use the TLT passwords distributed at the last meeting to go to http://northampton-test.bev.net, and follow the links to "Villager Directory". If you have any questions, please feel free to call me at 757-414-0731.

The next meeting of the Northampton County Technology Leadership Team has not yet been scheduled. Jennifer Haycox will be contacting you regarding the next meeting date, where we will need to make some decisions regarding the community site.
