Members Present – Adele Morris, Michelle Adcock, Mary Page Cosby, Debbie Snead, Jeff Boudreaux, Gerald Groseclose, Paul Paradzinski, Robert Roberts

Craig Electronic Village – top.bev.net/bevinabox/craig/

- Adele – Which tab is the most used among other counties?
- Robert – This has not been determined to this point.
- Debbie had concerns about churches. She expressed the need for a tab for county churches.
- The group had concerns with the color scheme and the picture on the home page.
- The group decided to use the picture from the tourism brochure and to change the colors to green and rust.
- Debbie and Paul suggested the need to showcase the recreational opportunities in the county.
- The group discussed the overlap between the top tabs and the quick links.
- Adele suggested dropping communities from the list of tabs.
- The tabs will be alphabetized.
- Adele – Do we have tab rights? Robert said that this was not possible.
- The group decided to drop the communities tab and to add recreation and churches.
- The group decided to change village mall to local businesses.
- The group discussed having links under the government page to county and state government as well as DMV, taxes, etc.
- Jeff Boudreaux suggested using the site to post school closings.
- The Education page could provide links to Craig County Schools, the State Department of Education, Virginia Western Community College, Craig County Child Care Center, Virginia Tech, and others.
- The group decided to keep youth and senior tabs – links to the Department of Education games, etc.
- The group decided to remove the word “libraries” from the Education and Libraries tab.
- Robert mentioned that the domain name could not be a “.com” address because of free publicity and retail issues
- Debbie suggested the need for a tab related to child care. She expressed concerns over the need for alternative forms of child care in the county.
- The group decided to include child care under quick links.
- The group decided to include under quick links public schools, child care, local weather, and local businesses.
